FOR IMMEDIATE RELEASE

Bill Mallette, General Manager, is pleased to announce the expansion of Net-Workz. Created by Northeastern Community Development Corporation (NCDC) and Albemarle Hopeline, Net-Workz began as an on-line consignment store that sells items for individuals on e-Bay. The venture has multiple purposes which include creating two new jobs; providing a source of un-restricted income for the two non-profit agencies to continue their work in the community; providing individuals with additional income; and to assist other non-profits with their fundraising efforts.

Recently, the store expanded its operations to include a retail store that offers a variety of Williamsburg Pottery, candles, and a number of fine vintage items from some of the company's regular consignors. The Net-Workz retail store also has a "Paper Corner" with a large selection of photo quality laser and Jet Print paper in a variety of finishes. Net-Workz will soon be stocked with an assortment of Christmas and other gift items.

The retail and on-line services of Net-Workz is now located at 507 East Main Street, Suite D, in the Virginia Dare Arcade, Downtown Elizabeth City. Store hours are Monday thru Friday, 10:00 a.m. until 5:00 p.m. and Saturday, 10:00 a.m. until 3:00 p.m. The Web address for Net-Workz is www.the-net-workz.com. For additional information, contact Bill Mallette, General Manager, at 252-333-1993.
